STATEMENT OF PARENTAL CHOICE

I, _____, hereby certify that I have made the choice of provider(s) to provide child care services for my child(ren).

I certify that parental choice has been explained to me and I understand I am free to choose any legally operating child care provider, including a licensed child care center, an exempt church center, a licensed family or group day care home, a relative who resides outside of my home, an individual (related or unrelated) who comes to my home to care for my child, or any other exempt from licensure child care setting, such as a YMCA.

I understand that if I choose an in-home provider, I am subject to the requirements of the federal Fair Labor Standards Act, and that I am responsible for paying the difference between what the Child Care Management Agency pays and the federal minimum wage. In addition, I understand that I am responsible for the additional requirements of being an employer (paying employment taxes).

I understand that I may change my chosen child care provider anytime by providing the Child Care Management Agency with written or verbal notice.

I understand that I have the right to have access to my child(ren) anytime upon my request to my child care provider, and if the provider fails to provide such access I should report this refusal to the Child Care Management Agency immediately.

I have discussed my child's care with this provider, and I understand that if my chosen provider charges additional rates and fees that I am solely responsible to the provider for the full amount of the additional charges, including, but not limited to, the following:

- Registration fees;
- Late pick-up fees;
- Any amount greater than the maximum amount of subsidy and my assigned parental fee; and,
- Any other mandatory or optional rates and fees.

I understand that these additional rates and fees are in addition to the parental fee I am required to pay as a condition of my child's eligibility for subsidy. I further understand that I am not required to select a provider that charges additional rates and fees and that I have made this choice of my own free will.

For Persons Applying For or Receiving Child Care Services

WHO IS ELIGIBLE FOR SERVICES?

You may be eligible for services if you are making your home in Alabama and are employed and/or enrolled in school/training and making no more income than is allowable (see [Initial Eligibility Monthly Income Scale](#)).

WHAT IS THE ALLOWABLE INCOME AND HOW MUCH IS THE WEEKLY FEE?

Family means the basic family unit consisting of an adult and his or her spouse (including common law), children under 18 years of age, and minor parents under 18 years of age and their children, related by blood, marriage, or adoption, who are residing in the same household. A member of this basic family unit temporarily out of the home continues to be considered as part of the family.

Considered as separate families are:

- Related persons 18 years of age or over, other than spouses, who live together.
- Unrelated persons 18 years of age or over who live together.
- Children for whom the Department of Human Resources has custody of and who are in foster care.

GENERAL INFORMATION

The Alabama Electronic Payment System (EPS) is used to track attendance for a child participating in Alabama's Child Care Subsidy Program (Subsidy Program) for child care providers registered with the Subsidy Program. The system involves the use of a swipe card, by the parent. The parent or their designated alternate cardholder-document attendance by swiping their card through a point-of-service (POS) device at the child care facility.

Parents actively participating in the Subsidy Program can be issued two (2) swipe cards; one card for the parent and one for an alternate person. The alternate person (cardholder) can be a spouse or someone else who assists the parent in taking the child to and from the child care facility. **The alternate cardholder cannot be the child care provider or anyone who is employed by or acts on behalf of the child care provider.**

Alabama Time and Attendance System (TAS)

Parent/Cardholder Frequently Asked Questions (FAQ)

What is the Alabama TAS system?

Alabama's TAS system is a new way of reporting child care attendance. You are in charge of reporting your child's attendance by using a swipe card (looks like a debit card) and your child care provider's card reading machine called a Point of Service (POS) device.

Who is the cardholder?

The cardholder is the parent or individual responsible for the child. Cardholders are identified in the child care case at the time eligibility is determined. The parent may designate another individual to receive a card. They are called the alternate cardholder.

Do I have to use the Alabama TAS system?

Yes. The Alabama Department of Human Resources (DHR) will pay providers only for care that is recorded through the Alabama TAS system. If you refuse to swipe the card your eligibility for child care benefits may terminate and you will be responsible for payment of any care provided.

Can I still choose any provider to care for my child?

Yes. The provider must be registered with the Child Care Management Agency (CMA), to be paid for services provided on behalf of families receiving Child Care Subsidy Program funding. If your provider is not registered with the CMA and does not participate in the Subsidy Program, you could be held responsible for payment of any care provided.

Can I use more than one provider?

Yes. However, each provider must be registered with the Child Care Management Agency (CMA).

How will my provider know that I am eligible to receive child care?

Once you choose a provider, the provider will receive copies of the approval and change notices. The notices will include the number of hours a week for which you have been approved, the maximum amount of reimbursement for care, and your co-payment amount. If you have a co-payment, you must pay your co-payment directly to your provider.

How does my swipe card work?

You will report the times your children receive care by using a swipe card and your provider's card reading device. When you swipe your card, the date and time of your child's arrival or departure is recorded.

How do I activate my swipe card?

Once you receive the card, contact the Cardholder Helpline at 1-866-960-6629 and follow the prompts to choose your 4-digit Personal Identification Number (PIN).

What happens if I am not able to report my child's attendance?

You can catch up on missing days by using the "Previous Check In", "Previous Check Out" and "Absence" process on the swipe-card device. It is important to remember you only have 10 calendar days to do this "backswipe".

Can other people drop off or pick up my child?

Yes. You may also designate someone to receive a card to use to record attendance on your behalf. However, you are responsible for ensuring accurate reporting of your child's attendance.

Can I give my card to my provider to do this reporting for me?

No. You may not give the card to your

childcare provider or anyone acting on the provider's behalf. Giving your card to a provider violates Alabama DHR policies and rules. It can result in termination of your child care benefits and your provider may be terminated from participation in the Child Care Subsidy Program.

If I have children at different providers, do I need more than one card?

No. The card will work at any provider location where your children are authorized to attend.

If I have more than one child do I need more than one card?

No. You can record the attendance for all your children with one card.

What if I forget my PIN, lose or damage my card?

To resolve issues with your swipe card or PIN, call the Cardholder Help-line at 1-866-960-6629. This telephone number is also printed on the back of your card.

What if I receive an error message on the card reading device?

Your Provider will be given a list of error messages and their meanings. If the card reading device indicates your child is not eligible, call your child care caseworker at your CMA.
